“Summer Time”

Steve Rumbley
Executive Director

Summer Time has arrived with lots of activity and heat. If you have been on our campus recently, you have probably noticed the roofing taking place on our main buildings with new architectural style shingles. The plan is to continue roofing the majority of the buildings on our campus which should be completed from mid to late August. The roofing crew with First Class Roofing has done a good job despite some extremely hot days.

You may have noticed the new banners/flags that are located on the light poles along the main drive on our campus. Several of the banners have our 35th Anniversary Logo and the dates of 1983-2018.

We are making plans for a major celebration on Saturday, October 20, 2018. This is near the date we first opened the doors of our assisted living building 35 years ago. Please put this date on your calendar and plan to join us for some good food, fellowship, and entertainment.

Another change on campus is the renaming/rebranding of our Alzheimer’s Care Center to Cross Road Memory Care. The new name better reflects the services that we provide and should be easier to communicate with our community at large. New signage has been put in place along with changes on our website, brochures, and printed materials.

We are currently working with our building committee and board to provide some new housing options in our Independent Living Area and plans for a new clubhouse/community building on campus.

I hope you enjoy your summer time and invite you to come visit us at Cross Road Retirement Community. Thank you for your confidence and continued support. Your comments and suggestions are always welcome.

A Thought from the Chaplain

The Gift of Laughter

“Your wife, Sarah, will have a baby, a son. Name him Isaac (Laughter).”

Genesis 17:19

There is something we need to understand about the Father heart of God: He has plans to prosper us in such a way that we can live life in all its fullness whatever our circumstances. His intention is to bring us joy and to make us joy-bringers to others, even in tough times. This is what Abraham’s story reveals. Yes, Abraham and Sarah had to wait until they were 100 years old before the promise over their lives was fulfilled. But when it was, their inheritance was one of joy. That is why the Father tells Abraham and Sarah to name their child Isaac-which means “Laughter.” What a beautiful picture that is of the Father’s heart. When we go on believing His promises even when we can see no evidence of them being fulfilled, one day we get the reward of seeing the thing for which we have gone on believing. When that happens, laughter is birthed in our soul. Let us never forget: God is a Father who wants us to be full of joy. Let’s laugh a little today. That’s what faithful sons and daughters do.

My prayer to the Father for you today:

Dear Father, thank You that the reward of believing is to experience the joy and laughter of seeing Your promises fulfilled. In Jesus’ name I pray. Amen and Amen.
