8th Annual Bucket List Golf Tournament

Our Golf Tournament, held at the Pinewood Country Club was a big success again this year. The day was filled with sunshine, smiles and of course, GOLF! The tournament is held to benefit our Dream Makers program which grants wishes to the residents who live here at Cross Road. Donations are still coming in, but we hope to clear \$8,500.

We would like to thank all of our sponsors, volunteers and golfers who made this event such a wonderful success.

Dreams really do come true...

Kathleen Whatley dreamed of having a shopping trip and getting her nails done in a salon. Dream Makers was able to make this dream come true for her. Kathleen was taken out to eat, had her nails done and then enjoyed some shopping at the mall. She had such a wonderful day and enjoyed every single minute of the trip.

We look forward to making more dreams come true for our residents whether big or small!

A longing fulfilled is sweet to the soul Proverb 13:19 NIV

Serving One Purpose

Chaplain Bernie was out one Friday morning and I got to lead our Staff Bible Study. We read on Spiritual Gifts in 1 Corinthians 12 and remembered that all are given gifts. All the Gifts are different but come from the same Spirit. Some are given knowledge, some are given wisdom, some are given gifts of healing. I see many using their healing Spirit here at Cross Road. Many of our staff have that Spirit and use it wisely. Also remember, there are different ministries and different activities, but they come from the same Spirit. All the body comes together to serve one purpose and without all doing what is called of them, the body won't flourish. I thank all the staff here for their part in this "body" here at Cross Road Retirement Community!

A New Face to Greet you....

If you drop by for a visit or call on the phone, you will notice that there is someone different greeting you. Nancy Neese Kersey is our new Receptionist. She is happy to help with the purchasing of stamps and meal tickets, routing the mail and phone calls, or just offering a pleasant smile. She is married to Justin and has two sons, Vance and John. When asked what she likes best about working here at Cross Road Retirement Community, she says that she loves being helpful and that healthcare is a passion for her. Stop by to say "Hello" and make her feel welcome!

Hello.

Good for a laugh.....

Q: What do toads drink on hot summer days?
A: Ice cold Croak-o-cola.

Main Assisted Living Activities

Our Assisted living residents have been enjoying lots of treats! From strawberry short cake to homemade ice cream! They also have enjoyed multiple games, including BINGO, and scrabble. Our Activities Department is always looking for new ways to bring a smile to our residents! We are looking forward to letting our volunteers come back and taking some trips! If you have a special talent, or are interested in volunteering with our Activities Dept., please contact Brittany @ 336-610-1206.

Memory Care Activities

Our Memory Care Residents have thoroughly enjoyed their morning music activities by starting off each morning with Gospel hymns. We also have a new addition to our Memory Care. "Chewy" is our new cat, and she has stolen the hearts of our residents. They enjoy watching her play and explore, and most of all they love giving her attention! Our residents have also gotten creative by making crafts, and tie-dyeing shirts to wear. We are looking forward to having our volunteers come back and taking some trips as well! If you have a talent, or an activity idea, please contact Brittany @ 336-610-1206.

A Special Gift

Jerry Hancock and his daughter, Amy Rudisill donated a very special gift in memory of Nancy Hancock (wife/mother), who was a resident in our Memory Care. This beautiful Grandfather clock now stands in the foyer of the Memory Care for all to enjoy as they enter. Thank you, Jerry and Amy for sharing this special gift with us!

Thank you!

Meet our new fur baby...Chewy!
 Chewy was abandoned along with her siblings and was found by a Cross Road employee. All survived and have now been adopted. Chewy has definitely found a loving home in our Memory Care Center.

Independent Living Apartments Activities

Our Village residents have enjoyed many activities over the past few months. They had an ice cream truck for soft serve ice cream while enjoying Gospel hymns from one of their favorites, Dan Tanner! They have also enjoyed trips to different restaurants for monthly birthday parties, along with some special visits from the Senior Center with Susanne, to play Jeopardy! They have also taken a trip to the Randolph Senior Center, to participate in their “county wide” Bingo game! We are working on special trips in the coming months, if you have a recommendation, please contact Brittany at 336-610-1206.

FUN!

If you have any photos of Village activities that you would like to share for our newsletter or Facebook, please send them to admissions@cross-road.org or text them to 336-465-0006. Be sure to add an explanation of what and who the photo is about. Thank you!

I hope you have a safe and fun summer!

A Thought From The Chaplain Marching to the Heartbeat of God

If you've ever watched a military squadron during a marching exercise, you know that sometimes the soldiers march in rhythm to the beating of a drum. By listening to the beat of a drum, the soldiers are able to march together in perfect unison. In much the same way, the Body of Christ should strive to march in perfect harmony with the will and purpose of God for the Church. God's ultimate purpose is to reap an abundant harvest of men's souls before Jesus returns.

To accomplish this goal, it takes vision, commitment, obedience, and unity. We must live constantly aware of our commission to share Jesus Christ with the world, and we must be committed to that vision both in our personal lives and collectively as the Body of Christ. We must find out what God wants us to do and obey that. We must hurry to the harvest confident that we are taking our place in this great work and doing our part to fulfill God's plans and purposes in the earth.

God's plan is a victory plan! We as the Church have only to obey God's voice wholeheartedly and join together to carry out the Master's work. Disputing about doctrinal issues and deviating from the call of God because of spiritual tangents and fad teachings can have no place in the Church if we are to succeed. Outreach is the heartbeat of the Church because it's the heartbeat of God. Just as the Apostle Paul answered the cry of a Macedonia man to come and help his people (Acts 16:9), let us each be eager to reach out to those yet in darkness with the good news of Jesus Christ. The task before us demands the total efforts of each one of us. So let us march in unison to the heartbeat of God and fulfill God's Great Commission to our generation.

Bernie Raymond
Chaplain

Memorial Butterfly Release

Cross Road is even more beautiful now with all the butterflies that were recently released as part of a Memorial Service for those who passed away over the past year. Family, friends, and staff all came out to participate along with Renea Henderson and her family who lead the music.

This was a special time of remembrance for those who were a part of our Cross Road family. They are always missed but never forgotten!
