

Care Communications

A quarterly publication for our residents and their families, our employees, volunteers, friends and contributors

THANK YOU!

Several months ago, Gene Booker, a retired minister and resident at the CRRC Village, said that the Lord laid a burden on his heart for the CRRC endowment fund. This fund was established with the Baptist Foundation of North Carolina and will help CRRC residents with the cost of food, medicines, and other needs.

He has been friends with the Hoppers for many years and decided this was the way to raise money for the Endowment Fund. He contacted the Hoppers, who are known as America's favorite family of gospel music, and convinced them to do a benefit concert for CRRC!

This event was a HUGE success!

“Happy New Year!”

Happy New Year!

If I had to sum up 2017 in a couple of words, it would be challenges and success. Cross Road Retirement Community has weathered some challenges this past year with the Legionella Bacteria investigation being the most significant. All water tests performed twice a month in numerous areas of our buildings over the past three months have found “no” evidence of the Legionella Bacteria. We will continue monthly water testing of numerous sites over the next three months and have paid a water consultant for a “Water Management Plan” that involves some testing, training, and procedures taken by our staff that should help ensure safe water for everyone now and in the future. Our staff has demonstrated their ability to respond in a positive manner during the tough times and good times.

One of our success times during the year was being recognized by the NC Assisted Living Association for their top award of the year with the “Community Leadership Award”. This award was presented at their annual convention in Winston-Salem on October 11, 2017.

I will attempt to identify a few of our 2017 achievements....1) The completion of 6 new “Lake Side Villas” 2) Construction and completion of a building for “School Age Summer and After School Program” as part of Shepherd’s Way, 3) Beginning construction on one additional “Lake Side Villa”, 4) Recognition as favorite “Assisted Living” in the readers choice survey by our local newspaper along with very positive inspection reports, 5) “Community Leadership Award” by the NC Assisted Living Association, 6) Updates to our grounds and garden areas along with “Activity Annex” being established, 7) Updates to our main Dining Room and bringing our Dining Room Services back under Cross Road instead of a contract service, 8) Continued to update and improve equipment, furnishings, fixtures, and buildings, 9) Planning for future growth and expansion on our campus.

Life is a journey of changes and we feel good about the changes and future of Cross Road Retirement Community. Thank you for your confidence and continued support. Your comments and suggestions are always welcome!

Happy New Year from everyone in the Independent Village Apartments. It has been cold outside but our residents have stayed snug and warm in the apartments. We are nearing completion of our new lake-side villa. We are also updating some of our apartments.

For information on our one and two bedroom apartments, contact Betty Page at 336-318-1847 or email at dvs@cross-road.org. Have a blessed new year.

Alzheimer's Care Center Activities

In the Alzheimer's Care Center, we like celebrations: We celebrate EVERYTHING!!! We celebrate birthdays, our Veterans, Thanksgiving and Christmas. But we also celebrate things like the arrival of Winter and when we have a full moon. We celebrate "National Soup Day" and "National Chocolate Ice Cream Day" (there is a National Day for almost everything!) We try to bring joy into the hearts of our Residents and a smile to their faces by celebrating LIFE! Everyday is a gift from God and a good reason to celebrate. We would like to invite you to come for a visit and let us bring some joy into your life too! We look forward to seeing you!
