## “Spring Time”

**Steve Rumbley**  
Executive Director

Spring is now in full bloom and a renewed amount of activity can be seen and heard around campus. The sights, sounds, and smells have added to the excitement felt by residents, staff, and visitors. Some of the sights and sounds are from nature and happy individuals; however, other sights and sounds are about progress that is taking place around and near campus. The sights and sounds from the Highway 64 Bypass project near our campus, with three bridges being built and new roadway being built, certainly echos a sound of progress. In our “Village”, the final touches are now being added to a new apartment duplex, our new Village Clubhouse/Picnic Patio is receiving finishing touches, and the beginning of footings for another new duplex apartment has begun. Again, the sounds of progress continue to echo around our campus.

Cross Road Retirement Community is a dynamic and growing organization whose mission is to respond to the changing needs of seniors and their families. As we continue this journey, we pray for wisdom and direction in providing exceptional services to those we serve now and in the future.

As more people discover what Cross Road has to offer, our demand for independent living has grown to a fairly large waiting list. I would encourage individuals who are considering independent living apartments here at Cross Road to get on the list as early as possible.

It is gratifying to work for a company that is also a ministry and truly cares about our residents and staff members. Thank you for your confidence and continued support. Your comments and suggestions are always welcome!

Janet Harllee

## Memory Care Activities

Karen Kidd

We are all feeling like “Spring” chickens now that the weather is warming up and we can get outside more! We are looking forward to more bus trips and planting a garden. We can also spend more time on the patio and going for golf cart rides. But we still make time for our devotions, singing and fellowship... these are the things that bring joy to our hearts no matter what season it may be! If you have something special that you would like to share with our Residents, like a craft, a talent, or maybe a recipe, please give Karen a call at 336-610-1206.

## A Thought from the Chaplain My Father and your Father

“Go to my brothers and tell them, “I ascend to my Father and your Father, my God and your God.”  
John 20:17

On the third day after His death, Jesus was raised and the stone was rolled away from the mouth of His tomb. He walked out into the dawn of a new day and a new age. Mary Magdalene, who loved Him dearly was still lingering at the tomb, weeping at the death of the rabbi and friend who had set her free. But then her tears of sorrow were turned to tears of joy. Jesus appeared to her and told her that He was returning to His Father in Heaven. He gave her a message to take to the disciples who were cowering behind a locked door in Jerusalem for fear of the Jewish leaders. He told her to let them know that He was ascending to His Father and to their Father. Notice that God is now their Father too! Up until this point, the disciples have not known this in their hearts. Now Jesus has removed the sin that separated them from the Father’s love. Now God is their Abba also! Truly a new age has begun, the Age of the Father’s Love.

### **Please pray with me.**

Dear Lord Jesus, thank You for removing the barrier of sin and opening up a way back home into the Father’s arms of love. In Your name we pray. Amen.

Please check your resident’s clothes and make sure they are labeled.

Remember any clothing that is new will also need to be labeled.

Please see Evelyn Greene, Director of Laundry & Housekeeping. Thank you!
