Celebrating our Mothers and Fathers

“Summer Time”

Steve Rumbley
Executive Director

Summer time has certainly delivered lots of activities and heat around Cross Road Retirement Community. Our residents have been involved in numerous activities both on campus and bus trips to various locations within the region. Most of these activities involve some food which our residents especially enjoy. On campus, we have enjoyed country garden luncheons, home-made ice cream, watermelon, popcorn & movie, root beer floats and several other special events. Our bus trips have varied to eating at some favorite local restaurants, milkshakes at Cook Out, Candor for peaches and Ben's Ice Cream and more.

Other activities around the campus this summer involve improvements to the grounds, addition of a new apartment duplex, new village clubhouse / picnic pavilion completed, and construction in progress of additional independent living villas and cottages. New borders of river rock now surround many of our plant beds and shrubbery areas on campus which add to the beauty of our campus.

If you have not visited our campus lately, I invite you to visit and experience what makes Cross Road Retirement Community such a special place. The facilities and campus are continuing to make positive improvements, but the real secret to our success is our people. Our residents and staff members truly make this special place.

I hope you enjoy your summer and thank you for your confidence and continued support. Your comments and suggestions are always welcome.

Janet Harllee

A Word From Admissions and Marketing

Summer is a time of vacations, eating fresh fruits and vegetables from the garden and a time to think about your loved one possibly needing our services before the Fall and Winter seasons. If you have a neighbor, friend, family, or church member who may need our services, call or email me.

Also, we would love to add you to our newsletter list. Please send me your email address. Please let me know if your church would like for me to speak at their group. Also, if you are a member of a civic organization, please ask them to call or email me. They can call or email at: 336-610-1214 or admissions@cross-road.org.

An old song says “Summertime and the livings easy” ! That’s true for our Memory Care Center too!!

We are enjoying a lot of watermelon, tomato sandwiches and ice cream! We love our bus and golf cart rides when the weather permits. But when it’s too HOT...we work on crafts, listen to music, or look forward to a visit from the daycare children! We find much joy in each day with each other! If you would like to come by for a visit or to share a talent with us, please call Karen at 336-610-1206

A Thought from the Chaplain The Father Who Speaks

In the beginning was the Word, and the Word was with God, and the Word was God.
John 1:1

Throughout the Old Testament, the Father had frequently spoken to His people through the prophets. These prophets were people who lived close to His heart and who heard His voice. The last words of the Old Testament, were spoken by such a man. Malachi foresaw a time when there would be a miraculous reconciliation between fathers and their estranged children, a promise that applies to all human beings, separated as we are by sin from our Father in Heaven. The one who brings an end to the alienation between us and our Father is Jesus. Here, at the very start of his Gospel, John describes Jesus as "The Word." Whatever else this means, it means that we have a Father in Heaven who speaks. He is not a silent dad, emotionally or physically remote. No, He has consistently spoken through His prophets and now speaks with finality and fullness through His one and only Son. This Son, unlike the prophets, was alive before time began. This Son was present to the Father before the creation of the world. Aren't you grateful that we have a Father who speaks to us?

Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through Me." (John 14:6)

Pray with me. Father, we come to You in Jesus' name. Thanking You that You spoke to us through the prophets, but now, supremely and completely through Your Son Jesus. Help us to realize that He is our only hope in coming back to You. Amen.

THANK YOU GOLFERS!

It might be a visit to the zoo, going to Amish country, talking to our favorite basketball coach, lunch with a special family member, or a visit to Billy Graham library. Each resident is different with a different dream. Thanks to our annual golf tournament, we were able to make these come true! If your family member is a resident and has something on their bucket list, please let us know, if possible, we would like to make this happen!
