“HAPPY NEW YEAR”

Steve Rumbley
Executive Director

If I had to sum up 2018 in a few words, it would be perseverance, celebration, planning, and growth. Cross Road Retirement Community has persevered as an organization for over 35 years which includes some challenges but many accomplishments. On Saturday, October 20, 2018 we celebrated our 35th Anniversary with a Country Hoedown which included a BBQ lunch, Square Dancers, and more. We have much to celebrate with the improvements and building additions that have been made on our campus. Because of the great demand for independent living services on our campus, we have spent time with our board over the past year making plans for the expansion of services over the next few years. Planning for the future of our organization is an important component of remaining a dynamic and viable organization that will meet the needs of our customers. Growth continued in 2018 with the addition of a new customized Lake Side Villa on campus, the employment of a Special Projects Director, the start on renovation/construction of the new Village Clubhouse, the start of foundation & construction of a new duplex of one bedroom apartments, and grading/planning for the addition of several more apartments on campus.

I fully expect 2019 to be an exciting year in the life of Cross Road Retirement Community. With the plans for updates to our existing buildings and construction of new independent living options on campus, CRRC expects to be on the cutting edge of retirement living options that will be available.

Thank you for your confidence and continued support. Your comments and suggestions are always welcome!

A Thought from the Chaplain

The Lord your God in your midst,
The Mighty One, will save;
He will rejoice over you with gladness,
He will quiet you with His love,
He will rejoice over you with singing.
Zephaniah 3:17

Here Zephaniah foresees a day of great restoration for God's people. One day the Father will calm their troubled hearts and bring delight to their homesick souls with His songs of joy. What a beautiful picture this is of the Father's love! When we return to Him and live in obedience to His ways, He takes us in His arms and speaks peace to our restless souls. In His enfolding embrace, there is a deep serenity that the world can never give. But there's more! When we position ourselves like this before God, He rejoices over us with singing. He causes pleasure to combine with peace as we hear His singing over us. When we are walking in His ways, we are the Father's happy thoughts. We bring Him such pleasure that He jumps up and down with joy in Heaven and sings with uninhibited delight.

Please Pray with me;
*Father, I choose out of love to live according to Your will,
Your Word, and Your ways, so that I may consistently
Be Your happy thought. In Jesus' name. Amen*
