Each apartment is equipped with two emergency call buttons that allows residents to have immediate contact for assistance.

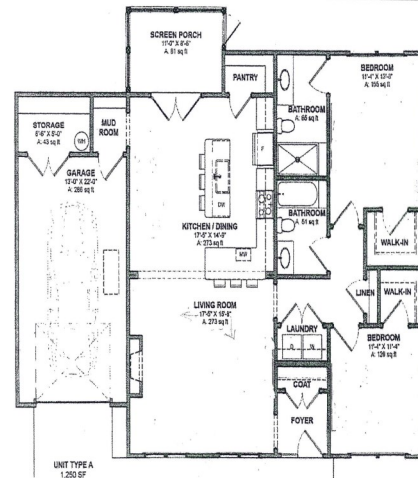

These well-built modern apartments have several floor plans to choose from. These include an efficiency, a one bedroom, and six different two-bedroom floor plans.

Many services are included or available for a modest cost.

- ◆ Utilities including basic cable (except phone).
- ◆ Trash collection, bi-weekly house-keeping, apartment and grounds maintenance.
- ◆ An Emergency call system in each apartment is staffed 24 hours a day.
- ◆ A Pet friendly environment.

Lakeside Villas

The Lakeside Villas offer an open floor plan, two bedrooms, two baths, vaulted ceilings, a fireplace with gas logs and granite countertops. A screened-in porch and a garage with plenty of storage is also part of the package for these lovely homes.

Cottages

Our stand alone cottages have heated and cooled garages. These units have two bedrooms and two bathrooms with a kitchen/dining room combination.
